④ 授業方法	<p>Students will be assessed according to three metrics: tests will be graded on a curve, according to mastery of the material covered in class. Written assignments will be assessed according to the degree to which the essay shows the student's understanding of the material, with essay structure and argumentation to support their point. Finally, participation in in-class discussions will be assessed on a per-class basis by the instructor.</p> <p>Students will receive feedback on their cumulative grade based on in-class work and graded assignments roughly bi-weekly.</p>					
④ 成績の評価方法	<p>Students' grades will be based on the following rubric: In-class participation and preparation: 30%, Tests and quizzes: 35%, Written assignments: 35%. In addition, students will lose 10% from their final grade for each unexcused absence.</p>					
④ 成績の評価基準	<p>Based on University standards: 60% to pass. S = 90%, A = 80%, B = 70%, C = 60%.</p>
